# What Sets Bob's Red Mill Apart?

- ♦ **BOB'S RED MILL** sources commodities from across the US and Canada. Many of our sources represent long-standing relationships with growers.
- ♦ **ALL GRAINS & PRODUCTS** meet our demanding specifications and quality standards and all are closely monitored by our in-house laboratory. Literally, "You Can See Our Quality®".
- ♦ **ALL PRODUCTS ARE FROM NON-GMO** identity preserved seeds. We require written statements from our suppliers as part of our Sourced Non-GMO Pledge.
- ♦ **BOB'S RED MILL** uses stone mills. This cool, slow milling method preserves the nutritional qualities of our grains.
- ♦ **GLUTEN FREE PRODUCTS** are milled, mixed and packaged in a separate, dedicated facility and tested to less than 20 ppm. Bob's Red Mill is a gluten free pioneer and leader.
- ♦ **OUR EXPANSIVE PRODUCT LINE** offers minimally processed Whole Grain Foods for Every Meal of the Day® in both cases and bulk bags.
- ♦ **BOB'S RED MILL** donates product and resources to a variety of charitable causes and has partnered with numerous institutions to fight childhood obesity with proper nutrition.
- ♦ **BOB IS REAL** and Bob's Red Mill is real. We are a manufacturer with a rich history bringing you close to farmers who grow our food.
