

# WHAT SETS BOB'S RED MILL APART?

**BOB IS REAL:** Bob Moore and his wife, Charlee, founded Bob's Red Mill in Milwaukie, Oregon in 1978 with a mission of Inspiring Joy with Wholesome Foods™. Today, we're a leader in whole grain, gluten free and organic foods.

**PROUDLY EMPLOYEE OWNED:** In 2010, Bob created an Employee Stock Ownership Program (ESOP) that would make everyone an employee owner. Today, we're 100% employee owned! You can rest assured that every Bob's Red Mill employee is committed to sourcing, milling, testing, packaging, labeling and selling the finest products available.

**ON-THE-GO:** Our Oatmeal Cups, Instant Oat Packets and Bob's Bars make it easy to enjoy nutritious whole grains, wherever your day brings you!

**A GLUTEN FREE LEADER:** We have a 58,000 square-foot dedicated gluten free facility and batch test in our quality control laboratory. Select products are certified gluten free by the Gluten-Free Certification Organization.

**200+ PRODUCTS:** Our diverse selection includes whole grain oats, muesli, granola, baking flours and mixes, whole grains, seeds and protein powders.

**FOOD MADE WITH INTEGRITY:** We proudly offer Non-GMO Project Verified, Organic and Fair Trade Certified™ foods, and we are Safe Quality Food (SQF) certified.

**NOURISHING A HEALTHY PLANET:** We've partnered with Energy Trust of Oregon to monitor and reduce our energy usage, and we're the first food manufacturer to join the Pacific Coast Food Waste Commitment to cut food waste in half by 2030.
